## Report A Security Issue

At Empowerment Coaching Hub Inc. we take security and privacy very seriously. If you're a security researcher and/or you believe that you have found an Empowerment Coaching Hub Inc. issue within any of our services, please send an email to [info@empowermentcoachinghub.org](mailto:info@empowermentcoachinghub.org) and include any information you deem relevant in order for our internal team to investigate.

The email address you communicate with us from will only be used to process your vulnerability report submission and to communicate with you about it.

**Note:** If you're an Empowerment Coaching Hub Inc. account holder, your privacy and communication preferences will not be impacted.
